When to get an ultrasound (and when not to) 4. How to recover naturally and start breastfeeding off on the right foot, er, boob With over sixty million views on her YouTube channel, Genevieve HowlandeÀÀÀs funny but informational videos have empowered millions of women to embrace natural pregnancy and Àparenting. Genevieve is the go-to natural mom you can rely on for support cÀÀÀtill the end! DaNelle WolfordFounder of WeedEmAndReap.com Genevieve is the trusted friend we all need to hold our hand, tell us, "You got this, Mama!" and show us the beauty and wisdom of what our bodies were designed to do. How to create a birth plan that actually gets read 7. Heather DessingerFounder of Mommypotamus.com Genevieve takes the fear out of natural pregnancy and childbirth, offers comprehensive, evidence-based advice, and sprinkles in a bunch of humor along the way. Available Now! Over the past few generations, pregnancy and birth have been treated as a scary medical cÀÀAconditioneÀÀÀ as opposed to a natural, biologicalÀ Àprocess. SheeÀÀÀs attended over 150 births, included her own home births. JP SearsAuthor of How to Be Ultra Spiritual Mama Natural cuts through the mire of typical pregnancy advice in a way that is fresh, deeply informative and, above all, empowering. Hannah CrumAuthor of The Big Book of Kombucha Genevieve is a friend taking you on a sacred journey, sharing wisdom that is both evidence-based and rooted in traditional wisdom. . But change is underway. The book demystifies natural pregnancy and walks you through the process one weekÀ AtÀÀ AaÀ Àtime. How to naturalize a surgical birth 10. But Genevieve wasneÀÀÀt always eÀÀÀMama Natural.eÀÀÀ Once upon a time, she was a cigarette smoking ÀÀÀt always eÀÀÀMama Natural.eÀÀÀ Once upon a time, she was a cigarette smoking junk food junkie. How to get baby in the best position for birth 6. even the ones you haven'eÀÀÀt thought of yet. Natural pain relief during labor 11.
